# JOIN US FOR YEAR THREE OF OUR TOURNAMENT

As President of the Northeastern California Building & Construction Trades Council, I'd like to invite you to join us for our third annual 'North State Builds' Community Impact Golf Tournament on Friday, September 25th, 2020. Now in our third year, we are proud to have been able to share a true 'North State' golf experience with our many friends and supporters around the state! We are also proud to have donated thousands of dollars to deserving local after-school programs like Corning High School Track & Field and Orland High School Cheer! This year, we will be helping a deserving program from three different regions in the North State: the North State Coast, North State 'Proper' and the Yuba-Sutter area.

Once again we're pleased to invite you to one of Northern California's most unique courses: The Links at Rolling Hills. This course was designed by John Daly (yes, THAT John Daly) to be a true links style course. The course is always impeccably groomed and offers a truly remarkable golfing experience. Located under two hours north of Sacramento, right along Interstate 5, Rolling Hills is close enough to give you a reason to take Friday off and support some great causes!

In addition to fine golf, we've arranged for a dinner catered by the Rolling Hills Casino Executive Chef that includes carved Prime Rib, Barbecued Chicken, and all the fixings! In addition, golfers will be receiving a boxed lunch to enjoy as they head out to the course!

During the dinner, we'll be awarding some prizes to the golfers, and presenting checks to our selected 'Community Impact' program scholarship recipients, thanks to your support! Also, we'll be hosting a raffle featuring some amazing prizes (you can buy tickets throughout the day). All the proceeds from the raffle will be deposited into our very own 'North State Builds' Political Action Committee, helping us elect candidates that want to put skilled, trained craftsmen and craftswomen to work!

We really hope you'll be a part of our tournament this year. If you need anything, at all, leading up to the tournament, please let us know. You can reach me by cell phone directly at 916-616-3097. Enjoy your spring and summer....we'll see you in September!
